Dear Parent,

IMPORTANT INFORMATION

- As we are regularly informing you that from 2017-18 academic year, board exams are mandatory for class 10 students. Central Board of Secondary Education (CBSE) has also remodeled the assessment pattern for class 10 students. Refer (Circular No.- Acad -05/2017).
- As per the circular Twenty marks for the internal assessment will be analyzed by the performance of students in periodic tests, notebook submission and subject enrichment activities. We are following the similar pattern from Class V- X as per CBSE and DAV Directives.
- In the final term, the lessons of previous terms will also be included and complete syllabus will come for Class VIII-XII. The percentage of syllabus to be repeated from previous terms will be informed for class V-VII. The students should preserve all the copies and notes of previous terms for the final examination.
- To improve the learning levels of children, MHRD recently scrapped the No-Detention policy in schools. Parents are requested to avoid panic and focus on learning levels of their ward. In case any student from Class V-VIII fails in March exam then he will get one chance of retest and only after his unsatisfactory performance in the second attempt he will be detained in the same class.
