Dear Parents

As you are aware that Directorate of Education, Govt of NCT, has issued guidelines dated 17.10.2017 for implementation of 7th Pay Commission for the employees of Private Recognised Schools of Delhi and subsequently proposed increase in Tuition Fee.

In pursuance of the order the Managing Committee of the school in its meeting held on 8th December, 2017 alongwith parents, teachers and nominees of DE/AB of Directorate of Education proposed the implementation of 7th Pay Commission wef 1.4.2017 and increase in Tuition Fee only by 22.5% approx..

The increase in proposed Tuition Fee is must due to following reasons:-

- i. The school has additional burden of Rs. 4,18,79,512/- during 2017-18 towards salaries on account of VII Pay Commission.
- ii. The school did not hike any fee during last 2 years though the costs have been going up besides increased burden of EWS students which number has been going up every year. Even Tuition Fee increase from April-June 2016 will be adjusted as per DOE Orders.
- iii. As per calculation of IMPACT of 7th CPC as per DOE guidelines the fee and arrears of fee to be collected from 1.4.17 to 31.3.18 will be 969 p.m. per student.
- iv. Whereas the school proposed class wise CUMULATIVE IMPACT on parents range from Rs. 618/- to Rs.808/- per student per month. Shortfall in increase in Tuition Fee vis- a -vis will be met out of available funds and by deferring some capital and recurring expenditure.

However, at present we are collecting increased Tuition Fee only by 15% in total as per fee chart given below and balance 7.5% will be collected after the approval of Directorate of Education.
