

D.A.V. PUBLIC SCHOOL, PUSHPANJALI ENCLAVE, DELHI-110034
FEE CIRCULAR

Cir.No: 9

5.4.2018

Dear Parents,

With your continued support coupled with tireless efforts of the management, the institution has become a prestigious one in the area. The school authorities convey their thanks for the noble cause of development of the school.

As you are aware that due to general increase in prices of all materials used for creation of infrastructure and to meet the requirements of the school for daily needs, the expenditure to meet them has increased manifold. Further to implement the recommendations of 7th Pay Commission to the staff, the school has to explore the ways and means to meet this expenditure.

DAV Schools has always been very reasonable, fair and transparent in its fee policy and has one of the lowest fee structures as compared to many other schools with far lesser infrastructure and facilities. In order to partly mitigate the burden of additional costs, it is unavoidable to make a modest increase of 9-10% in some of the fee heads for academic year 2018-19. The additional impact on an overall basis to the parents shall be 9-10% only depending on the class. The revised fee details are given below:
